If for any reason the job cannot be completed due to the job not being finalised right by our client, the full invoice will become due. There will be no reduction due to poor organisation by the client.

RESIDENTIAL & COMMERCIAL

We cannot guarantee our paint which has been sprayed onto silicone due to cracking. So what we would recommend is to re- silicone once all work is completed.

If we receive a purchase order number and is cancelled at a later date there will be a 50% charge of the full invoice amount. If the job has started, then the full 100% will become due.

COMMERCIAL & INDUSTRIAL

We provide a 25 years guarantee on all wet spraying.

With this guarantee you will need to have your spray painting washed down or cleaned without chemicals every 12 months by us or another company of your choice otherwise the warranty will be invalid.

5 Year residential guarantee on coatings

This guarantee covers peeling and cracking. It does not cover for wear & tear scratches or chips. All paintwork must only be cleaned with a damp cloth with No chemicals.

Our gloss levels come in full Matt 0 to 3% Satin 15 to 30% Semi-gloss 40 to 60%. Full gloss 90%

Please be aware when having a kitchen or something with heavy traffic sprayed when choosing only Matt or satin stains will become very hard to remove because of the low gloss levels. The more gloss, the more protection you gain.
